

Midas slim GE

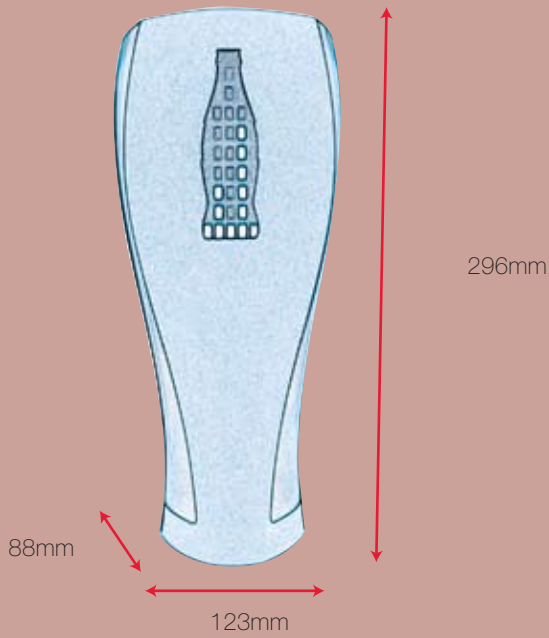

Midas from IMI Cornelius is a range of point of sale merchandisers that strengthen Coca-Cola's brand presence within the bar environment maximising impulse sales. This stunning design incorporates a distinctive LED graphic equalizer utilising a futuristic construction in a high quality brushed metallic finish.

The range offers distinctive branding styles to complement varying environments; a subtle front facing Spenserian script in 3 dimensional relief and a dynamic LED display set within the iconic Coca-Cola bottle shape.
