

**AMS** Presents

# Visi-Diner

AVAILABLE IN BOTH 35" & 39" WIDTHS!

- **AMS'** patented Sensit® guaranteed product delivery system.
- 6 trays means up to 30 selections of sandwiches, subs, and more!
- 1/2 plus HP refrigeration (3-year warranty) with heated triple-pane glass, and **Visi-Diner**, like all **AMS** merchandisers, is fully foamed in place with polyurethane foam.
- Interchangeable parts. It has the same cabinet as **AMS'** other indoor vendors.
- It has first-in, first-out product rotation, and like our other indoor vendors, **Visi-Diner**, is available in 35" and 39" widths.

Vendor shown here has optional accessories not included in standard configuration.

This vendor and/or certain of its components are covered by one or more of the following U.S. patents: 6,041,962; 6,145,699; 6,202,888; 6,384,402; 6,794,634 and other U.S. and international patents pending.
